LB 542, 719, 965, 976, 988, 1099, 1099A

Review amendments attached. (See pages 2091-92 of the Legislative Journal.)

In addition to that, Mr. President, I have amendments to be withdrawn to LB 988 that were offered by Senator Beutler, and amendments to LB 719. (See pages 2092-93 of the Legislative Journal.) That's all that I have, Mr. President.

SPEAKER BAACK: Thank you, Mr. Clerk. I will make an announcement right now. We do have a number of bills that are on Select File that do not have amendments on presently and at three o'clock I plan on going through this list. So you can take down the numbers now. And these are clean bills and these are the bills that we'll go to at three o'clock. And if they have no amendments on, we'll go ahead and move them. LB 542, LB 965, LB 976, LB 988, LB 1099 and LB 1099A. And if there are other bills that are on Select File that people are willing to pull their amendments off of, please let me know the numbers and we'll do another one of these later on in the day. Mr. Clerk, LB 719.

CLERK: Mr. President, 719 was last discussed this morning by the Legislature. Senator Conway had offered AM3932 as an amendment to the bill. Mr. President, Senator Conway would move to amend 3932. So, not wanting to disrupt that particular process, which I think was a good process, I don't know whether we'll ever get to that \$15 million for that to kick in, what I am offering as my amendment to the amendment is only to distribute under this level payment pattern that I offered to you under AM3932 that will only address that first 15 million. Once the 15 million has been distributed, under the format of
